Buket Savci

All the Flowers

April 1 — May 6, 2023

New paintings by **Buket Savci** will be on view at **Kravets Wehby Gallery** in her debut solo show *All the Flowers*. An opening reception will be held at the gallery on Saturday, April 1st 6-8PM.

Buket's compositions are saturated displays of human connection interrupted by frivolity. Amongst the crowd is unconditional love. They lay in fields of flowers, gesturing towards her experience as a landscape architect. Togetherness is at rest in the colorful paintings. Although their stillness should indicate peace, it is actually a state of longing for freedom, reflecting on **Buket**'s experience growing up in Turkey. Beneath her joyful scenes is an unsettling desire.

Buket Savci was born in Istanbul, Turkey, and now lives and works in Brooklyn, New York. She received her BFA from Pratt Institute and her MFA from New York Academy of Art.
